APPLICATION FOR GRADUATING SENIORS WITH IEP IN PLACE**

Dear Applicant:

The West Point Community Foundation is offering a scholarship to graduating seniors who have at least part of their class attendance being in the form of special education or resource room classes. In addition, the student MUST have a current IEP in place with documentation attached that would support a diagnosis of a verified cognitive delay. Students must plan on obtaining a certificate of program completion, an associate degree from an accredited junior college, or attend an accredited college or university.

If you are chosen to receive one of these scholarships, it will be necessary for you to complete at least one year of classes. If you drop out of school without completing the first semester, we expect the return of the scholarship funds so the money can be used by another student.

We hope you will consider applying for this scholarship if you are able to follow the guidelines. **Please sign this letter of expectation** to indicate that you accept these requirements and **return it with your application** by [March 1, 2024](#), to [Melissa Knobbe, 1040 E Park St, West Point, NE 68788](#)

If you have any questions, please contact Melissa Knobbe. Contact number – 402-380-2259.
